

## HOUSE WORK

Thousands of American women in our homes are daily sacrificing their lives to duty.

In order to keep the home neat and pretty, the children well dressed and tidy, women overdo. A female weakness or displacement is often brought on and they suffer in silence, drifting along from bad to worse, knowing well that they ought to have help to overcome the pains and aches which daily make life a burden. It is to these faithful women that

### LYDIA E. PINKHAM'S VEGETABLE COMPOUND

comes as a boon and a blessing, as it did to Mrs. F. Ellsworth, of Mayville, N. Y., and to Mrs. W. P. Boyd, of Beaver Falls, Pa., who say:

"I was not able to do my own work owing to the female trouble from which I suffered. Lydia E. Pinkham's Vegetable Compound helped me wonderfully, and I am so well that I can do as big a day's work as I ever did. I wish every sick woman would try it."

### FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

## O'Brien Wants Appointment

A petition is being circulated in Esmeralda county asking Governor Dickerson to appoint Judge J. J. O'Brien of Tonopah to one of the judgeships in Esmeralda county which will be made vacant by the resignation of Judge Langan who will be appointed to handle this end of the First Judicial District.

It is understood that Judge Peter J. Somers will be one of the appointees and the friends of O'Brien are trying to land him the other appointment. O'Brien was defeated by M. A. Averill for the Judgeship of Nye county at the general election last week and whether the governor will see fit to appoint a man rejected by the people for a like office is hard to tell.

## Man Voted Five Times

RENO, November 10.—Thomas Kelly, who was arrested on election day on a charge of attempting to vote illegally, was on Saturday afternoon taken before the Justice Court and pleaded guilty to the charge. He was sentenced to serve fifty days in the county jail.

Kelly testified in the court room that one of the ward politicians had employed him as a "filler in," and that every time he voted the name of some other man who was registered he received \$1. He stated that he voted five times Tuesday and that he got paid well for it, but refused to state who employed him. It is possible that he may be accused of a felony.

### FOUND WIFE DEAD

RENO, November 10.—Mrs. Vernie Filling, a bride of eight months, was yesterday morning found dead in her bed in a boarding house on West Street by her husband, a pressman on the Nevada State Journal. The husband left her at 2 o'clock and she was well. He returned at 6 o'clock and found her dead. She had taken some headache powders which may have killed her. An inquest will be held to-morrow morning. She was only 19 years old.

McCarran, has gone to San Francisco to visit with his parents. He will on November 19th claim as his bride Miss Pansy Perkins, daughter of Senator Perkins of California. ### MAY CONTEST

A report comes from Goldfield that Sheriff Ingalls may contest the election of Bradley who won over the former by a vote 89 on the grounds that the voters at Shurz used pencils in the absence of rubber stamps which were not furnished by the commissioners and that under the law these ballots are worthless and should be thrown out. If this is done the voters of that precinct will be disfranchised through an oversight of the county officials.

### FOUND IN CAVE

ELY, November 10.—E. L. Robertson, a mining man, has arrived here from his mine in Cave Valley and has brought to Ely with him the petrified body of a woman. Mr. Robertson states that in Cave Valley are many petrified trees and old Indian graves and that while searching among these he found the body of this woman.
